

Scavenger Hunt

Name:

With your chaperone, look at the map of the museum and choose two exhibits to visit. Which two did you see?

1. _____

2. _____

Choose an artifact or image you either really liked or disliked in one of those exhibits. What was it and why do you feel this way about it?

Exhibit Spaces:

- Legacy of the Horse (the timeline)
- Black Horsemen of the Kentucky Turf
- Draft Horse Exhibit
- Buffalo Soldiers
- Horse in Sport
- The Arabian Galleries
- Thoroughbred in Kentucky
- Calumet Farm
- Affirmed
- Carriage Room

Can you draw it?

Can you find a text label or ask an adult more information about the artifact? How do you feel about it now that you know more? Did your opinion change at all?

Go back to your favorite exhibit you visited and draw a part of that space. It doesn't have to be the whole exhibit, and don't worry about making it perfect, simply draw part of it that you observe. Add labels or notes about what you see.
